Galileo Educator's Workshop: Leslie Lowes

Water in the Solar System *Galileo Educator Resources*

Educator Slide Sets

■ Volume 1-4 Slide Sets

- 1: Photos and images from launch to Jupiter arrival, including Venus, Earth, asteroids, and Comet SL9
- 2: Images from the earliest months of the orbital tour, including the Great Red Spot and the Galilean moons
- 3: Europa images that imply the past ocean presence, Io's volcanoes, Callisto's craters, Jupiter's ring ****Nov. '98****
- 4: Detailed imagery of Ganymede and Callisto, Jupiter's rings and lightning ****Jan. '99****

■ Galileo Probe Results Slide Set

Graphics, photos and images detailing the findings of Galileo's atmospheric probe ****Dec. '98****

November 13, 1998

Galileo Educator's Workshop: Leslie Lowes

Water in the Solar System

Galileo Educator Resources

Videos

■ From JPL TRC - Special Educational Content

- "The Travels of Voyager and Galileo"
- Galileo Animation Compilation - great graphics!
- "Meet the Team" shows cool team members
- (cost is a blank video tape)

■ From DG Systems, Inc.

- "The Experts Speak Out - Europa: Another Water World?"
Order tape # JPL AVC 98-167 (\$17+tax+\$4 shipping)
- Call Brad Brock (818) 753-3000
- <http://www.jpl.nasa.gov/video/vidcat.html>
- (AVAILABLE AT A DISCOUNTED PRICE FROM JPL ERC TODAY
11/13/98 ONLY)

November 13, 1998

Galileo Educator's Workshop: Leslie Lowes

Water in the Solar System *Galileo Educator Resources*

Posters

- Jupiter/Galileo Arrival Day poster

Colorful graphic of probe drop, with descriptive panels on the back

- Europa poster - JPL TRC

Features dramatic images of the Ocean Moon from Galileo, which we think it might have an ocean, and educational activities

****Dec. '98****

Postcards

- 23 photographs and images of the spacecraft

Send them to your friends!

Galileo Educator's Workshop: Leslie Lowes

Water in the Solar System *Galileo Educator Resources*

Educator Workshops

■ “Outside the Envelope: Exploring Beyond Earth’s Boundaries”

- How we explore space - from the ground, with robotic spacecraft, and manned exploration
- 1 hour video from Space Day 1998
- accompanying grades 5-8 activity guide
- Call Fairfax Network to order (703) 503-7492
- <http://www.challenger.org/ote.html>

■ “Water in the Solar System” - today’s event

- On-line version <http://www.jpl.nasa.gov/galileo/water>

■ “Life in the Solar System”

- Friday March 5, 1999-where do we look for life in our solar system?

November 13, 1998

Galileo Educator's Workshop: Leslie Lowes

Water in the Solar System

Galileo Educator Resources

Educator Activities

■ On-line

- <http://www.jpl.nasa.gov/education.html>
- <http://www.jpl.nasa.gov/galileo/sepo/webflier.html>

■ "Bringing Jupiter to Earth" Activity Booklet

****Spring '99****

16 activities highlighting real space exploration of Jupiter and how it relates to us on Earth

November 13, 1998

Galileo Educator's Workshop: Leslie Lowes
